

NEW MEXICO NETWORK FOR WOMEN IN SCIENCE & ENGINEERING

Celebrating Over 30 Years of Networking

NMNWSE encourages women to enter into and develop their careers in science, engineering, and allied professions through annual technical symposia, outreach, and local chapter activities.

**EXPANDING
YOUR
HORIZONS™**
annual technical
career workshops
for young women

EYH increases young women's interest in math, science, & engineering. Students attend workshops where they meet and form personal contacts with professional women from these technical fields.
