

Directions to Carol's House

From Pojoaque (on US 285/84)
take NM 502 to Los Alamos

Stay on 502 to Los Alamos, stay left of the Best Western as you enter the business district. You are now on Trinity Street. Stay on Trinity until you reach the hospital where you will take a right on Diamond Drive. Diamond passes the High School and curves around to the east (away from the Jemez mountains) and passes the golf course. You will reach a "round about". Go 3/4 of the way around the round about (would be a left turn if it were a normal intersection) and you will be going north up San Ildefonso onto Barranca Mesa. Follow the yellow center line east (more or less) down the mesa (the road becomes Barranca Road at the *) past the 2 school zones (1 school) until you reach Los Pueblos street. Turn right. Approximately 6 blocks later you will come to the intersection of Los Pueblos and Navajo. We are on the NE corner.
