Second Announcement & Call for Papers

 **NEW MEXICO NETWORK**

P.O. Box 1360 Los Alamos, NM 87544

For Women in Science & Engineering

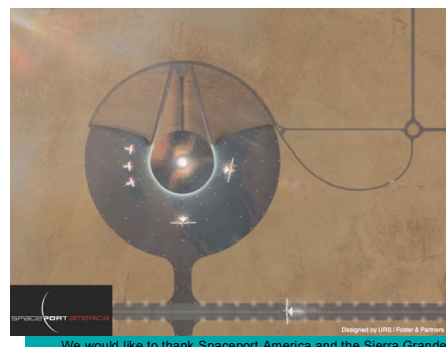

It's time to register for the NMNWSE 2008 TECHNICAL SYMPOSIUM & ANNUAL MEETING

The meeting will take place at the Sierra Grande Lodge and Spa in Truth or Consequences, NM. Sierra County, with its soothing hot springs, scenic mountain and desert terrain, mild climate, and the two largest lakes in New Mexico, has long been a preferred vacation spot for New Mexico natives. Nearby, Spaceport America capitalizes on this region's place in the history of rocketry and the aerospace industry.

The meeting will begin with a Friday evening reception. Saturday morning is the annual business meeting of the Network, followed by technical talks by members and students in the afternoon. Saturday ends with a wine and cheese poster session followed by the Conference dinner, featuring presentation of the NMNWSE **IMPACT! Award** and an after-dinner talk by **Gwynne Shotwell** of SpaceX, which specializes in space exploration technologies. Members are invited to stay through Sunday for the first meeting of the new state board, elected Saturday.

Further meeting details and registration forms are available on the AM 2008 webpage. If you might come but are not ready to register, please fill in the on-line interest survey to help our planning. If you will come, we encourage you to make your room reservations as soon as possible (be sure to ask for the meeting discount - see the AM 2008 webpage for details). If you have questions or would be willing to help with meeting planning, please contact the appropriate Meeting Chair or the NMNWSE board.

NMNWSE is dedicated to encouraging and assisting women to enter and succeed in science-based fields by their participation and promotion of professional conferences, educational development, mentoring opportunities, and networking activities.

Meeting Chair:
Barbara Torres
