The Conference

What is EYH?

Expanding Your Horizons is a national organization that encourages young women to pursue science, technology, engineering, and mathematics (STEM) careers. The ultimate goal is to motivate girls to become innovative and creative thinkers ready to meet 21st century challenges.

This year the Santa Fe EYH Conference will offer 150 girls in grades 5-8 a day long conference with hands-on workshops in STEM and related fields. In a fun, supportive environment girls meet peers who are also interested in STEM fields and learn from female scientists in careers that may include cryptography, earthquakes, water resources, robotics, DNA, light and lasers, computer animation and emergency medicine.

¿Que es EYH?

Expandiendo tus Horizontes (EYH por sus siglas en inglés) es una organización nacional que anima a las mujeres jóvenes a dedicarse a la ciencia, tecnología, ingeniería, y matemáticas (STEM). El objetivo final es motivar a las jóvenes a convertirse en pensadoras innovadoras y creativas preparadas para enfrentar los desafíos del siglo 21.

Este año la Conferencia EYH en Santa Fe ofrece a 150 niñas de los grados 5 al 8 una conferencia de un día de duración con talleres prácticos en STEM y campos relacionados. En un ambiente divertido de chicas para chicas que estén interesadas en los campos de STEM, para aprender de mujeres científicas y otras profesionales en carreras futuras que pueden incluir criptografía, simología (terremotos), recursos del agua, robótica, el AND, luz y láser, ingeniería, animación por computación y medicina de emergencia.
