

What Does NMNWSE DO?

- **Networking & Mentoring**

We encourage and help women enter and succeed in non-traditional careers.

We nominate network members for awards. In 2007 we initiated the annual **IMPACT! Award** to recognize New Mexico women who further the goals of the Network.

- **Professional Conference**

Our Annual fall meeting and Technical Symposium provides an opportunity to present technical papers in a supportive environment. It also provides professional development and networking opportunities.

Current and former members gathered in 2004 to celebrate 25 Years of Networking.

- **Chapters**

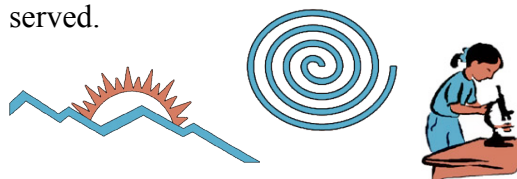

Local chapters promote networking and communication among members by providing regularly scheduled meetings, talks, and other local activities.

- **Expanding Your Horizons™ (EYH)**

Licensed by NMNWSE from the EYH Network.

We encourage young women to enter the fast-growing high-technology professions by sponsoring EYH. These conferences are designed to provide career information to 5-12th grade students and their parents, teachers, and counselors. The emphasis of EYH conferences is communicating the excitement and challenge we experience in our work through "hands-on" career workshops, panel discussions, and interaction with professional role models who share their experiences and give practical advice. Check our website for conference dates, locations, and grades served.

- **Career Information Booklet**

Careers: Exploring the Possibilities acquaints young women and their parents, advisors, and teachers with non-traditional career opportunities. Available on-line at <http://nmnwse.org/careers/>.

- **Science Fair Awards**

NMNWSE special awards are given to encourage young women to continue their interests in math, science, engineering, technology, and allied professions.

"Winning the Prize [1963 Nobel Prize in Physics] wasn't half as exciting as doing the work itself"
-- Maria Goeppert Mayer

How Can I Join or Contribute?

Membership categories:

Professional	\$40.00
Donor-Match	\$40 Work Donations
Affiliate	\$0, 1 st Year
	Volunteer member
Student / Teacher	\$10.00
Retired / Not Employed	\$10.00

If you would like to join, you may also download a full membership form:

 - ☐ Annual Meeting & Technical Symposium
 - ☐ EYH conference
 - ☐ speakers
 - ☐ administrative or editorial help
 - ☐ one-time support tasks
 - ☐ Updating/adding chapter to careers book

Who are NMNWSE Members?

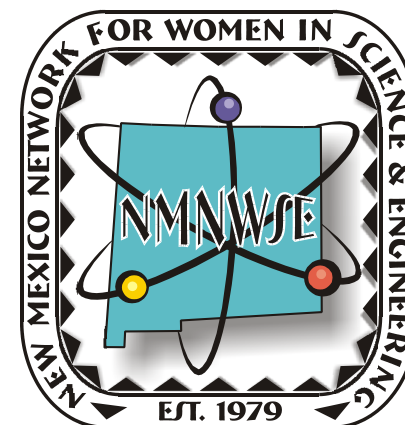

- We are a group of women scientists, mathematicians, engineers, educators, managers, community leaders, and parents, most of who live and work in New Mexico.
- Members in local chapters around the state are dedicated to encouraging young women to enter science-based fields and to providing supportive activities for women professionals in non-traditional careers.
- Members get together to share common interests, to celebrate our successes, and learn about each other's work.

Why Should I Join NMNWSE?

- Meet other women in technical areas
- Network for career development and support
- Mentor/Role Model - Find one; Be one
- Share common interests
- Broaden horizons
- Develop skills
- Add to resume
- Reduce sense of isolation
- Make great friends in the process!
