EYH TEACHERS' CONFERENCE

Marilyn

- we need to get the rock kits, probably about 20—they are \$14 each
- from Georgia: Genome will not do a TC
- from Aviva: Karen Daniels said yes to the TC!

EYH REPORT

Volunteer Coordination— Georgia

- Pat Gary has been contacted; Marilyn said AAUW can help call gofers
- Seven confirmed workshops: 2 airforce (bridge, gps), 2 genome (both dna), 1 polymers, 1 museum, 1 engineering (Zhana)
- Team activity—gliders, by the airforce—we had some discussion as to whether they will know how to set up an activity for so many girls that will get all the girls in the team involved, etc. Aviva will send successful 2006 Team Activity info to Georgia for ideas on the activity itself and also on how to prepare the gofers to help
- TO DO: (1) get in touch with Haley Richie
(2) need to ramp up on volunteers (send note to LAWIS asking for workshop presenters, get in touch with previous presenters (Aviva will contact JT Teerlink and Emily Schultz regarding earth science workshops))
(3) need to meet with Lydia regarding rooms and AV equipment
(4) proximas need to be brought to the event

Attendee Coordination Report – Tinka Gammel
