2011 NMNWSE ANNUAL MEETING, TECHNICAL SYMPOSIUM, & WIPP TOUR

This year's annual meeting will be held at the BEST WESTERN in Carlsbad, NM on Nov. 4-6, 2011. Prior to the official start of the meeting, a tour of the Waste Isolation Pilot Plant (WIPP) has been arranged for Friday afternoon. The tours are not available to the general public. To attend the tour you must be at the front of the DOE Carlsbad Field Office (CBFO) by 1:00 pm. That is when the BUS LEAVES! The CBFO is located at 4021 National Parks Highway, Carlsbad, New Mexico, 1-800-336-WIPP

The tour requires registration for everyone who is participating, so please provide your contact information. You must have a photo ID (i.e. driver's license) and your contact information must match your photo ID.

A meet and greet is scheduled at the BEST WESTERN on Friday evening beginning at 6:30 pm after the WIPP tour. This will be a simple affair with munchies and drinks. It will be a chance for additional networking with members from yours or other chapters of the NMNWSE. We will also reach out to invite and provide information about our organization to several local Carlsbad organizations. This will be a chance to introduce ourselves in an informal gathering and do what we do best -- network. So, please come to this kick-off to our annual meeting.

Saturday morning is the annual business meeting of the Network which will cover Network business, the annual calendar, and election of FY 2011-2012 Board of Directors. There will be a catered luncheon between the Annual Business Meeting and the Technical Symposium. The luncheon will begin around noon with the Technical Symposium following at around 1:00 PM. Each presentation will be approximately 30 minutes

Please indicate on this form if you will make a technical presentation. Your presentation will let each of the members get to know more about you, your work, and provide networking possibilities. Although we know you may have a hectic schedule, this is an opportunity to reach out to many talented women in our organization and the local community.

The late afternoon will feature a more formal poster session. This is also an excellent opportunity to showcase presentations and get input from students in the area. Students, teachers, and non-employed members presenting posters or papers are eligible for a meeting scholarship.

Saturday ends with dinner. Members are invited to stay though Sunday for the first meeting of the new State Board that was elected at the business meeting on Saturday.

2011 Annual Meeting Registration:

Name: As shown on Photo ID – Please Print Clearly

Daytime Phone/Evening Phone/Cell Phone:

Email:_____
