# It's time to put the NMNWSE 2009 TECHNICAL SYMPOSIUM & BUSINESS MEETING on your calendar!

<http://nmnwse.org/AM/>

**16-18 October 2009, Hacienda Vargas B&B, Algodones, NM**

This year's meeting will be held at the historic Hacienda Vargas Bed and Breakfast in Algodones, NM, a romantic getaway nestled in the Rio Grande Valley on the historic El Camino Real. The Hacienda Vargas greets travelers and pilgrims in need of lodging the same as it has since the 17th Century.

Registration forms and other details will be posted on the Annual Meeting webpage in late summer. Early registration closes **25 Sep 2009**, with late registrations accepted through the meeting date on a space-available basis. We encourage you to make your hotel reservations as soon as possible.

The meeting begins with a Friday evening reception. Saturday morning is the annual business meeting of the Network, followed by technical talks by members and students in the early afternoon. The late afternoon features the poster session, an excellent opportunity to network - students presenting posters are eligible for a meeting scholarship. Saturday ends with dinner, presentation of the NMNWSE **IMPACT!** Award, and an after-dinner program highlighting **HIGHLIGHT NEEDED**. Members are invited to stay through Sunday for the first meeting of the new state board, elected at the business meeting on Saturday.

If you have questions or would be willing to help with meeting planning, please contact the NMNWSE board.

*NMNWSE is dedicated to encouraging and assisting women to enter and succeed in science-based fields by their participation and promotion of professional conferences, educational development, mentoring opportunities, and networking activities.*
