# The Conference

## What is EYH?

Expanding Your Horizons is a national organization that encourages young women to pursue science, technology, engineering, mathematics and computing (STEM-C) careers. The ultimate goal is to motivate girls to become innovative and creative thinkers ready to meet 21st century challenges.

This year, the Santa Fe EYH Conference will offer 150 girls in grades 5-8 a day-long conference with hands-on workshops in STEM-C and related fields. In a fun, supportive environment, girls meet other girls who are interested in STEM-C fields, and learn from female scientists and other professionals in careers that may include cryptography, earthquakes, water resources, robots, DNA, light and lasers, engineering, computer animation and emergency medicine.

## ¿Qué es EYH?

Expandiendo tus Horizontes (EYH por sus siglas en inglés) es una organización nacional que anima a las mujeres jóvenes a dedicarse a la ciencia, tecnología, ingeniería, matemáticas y computación (STEM-C por sus siglas en inglés). El objetivo final es motivar a las jóvenes a convertirse en pensadoras innovadoras y creativas preparadas para enfrentar los desafíos del siglo 21.

Este año la Conferencia EYH en Santa Fe ofrece a 150 las niñas de los grados 5° al 8° una conferencia de un día de duración con talleres prácticos en STEM-C y campos relacionados. En un ambiente divertido de chicas para chicas que estén interesadas en los campos de STEM-C, para aprender de mujeres científicas y otras profesionales en carreras futuras que pueden incluir criptografía, sismología (terremotos), recursos del agua, robótica, el ADN, luz y láser, ingeniería, animación por computación y medicina de emergencia.
