## Girls of Southwest New Mexico in Grades 6-8!!!

## It's that time again! Expanding Your Horizons in Science and **Mathematics** (EYH) 2008 is coming soon!

EYH is about careers in computers, medicine, science, and math.

EYH is a day of hands-on workshops with women who have the careers you are interested in learning about.

You get to really DO cool things!

sign up) And you get

**EYH is free!** (but you do have to

Stuff to take home, too!

EYH is coming

Saturday, March 1, 2008!

Ask your science or math teacher about EYH. Registration forms are available from your teacher.

Registration begins January 22. Be sure to register early— no Registrations will

be accepted after January 29!
